

ThinkVision T34w-20

Lenovo

SEE IT ALL ON THE PANORAMIC SCREEN

Make multitasking a breeze on the ThinkVision T34w-20 that is designed keeping workforce productivity in mind. This 34-inch, WQHD resolution, USB-C Hub Monitor allows you to conveniently carry out everyday tasks like number crunching and working on spreadsheets, with ease. Browse or work on multiple applications at once without missing a detail, thanks to its 21:9 industry-leading 1500R curved panel. The T34w-20's USB Type-C one-cable solution, a space-saving and cable management feature, optimizes your desk space and minimizes clutter, enabling efficient working. Its Smart Power function intelligently detects overall power consumption and dynamically manages the power delivery to each connected device. Additionally, this TÜV Rheinland Eye Comfort certified monitor reduces eye fatigue so you can achieve maximum productivity, every day.

Captivating Display

Uninterrupted Connectivity

Advocating Productivity

Stunning Details That Enhance Productivity

With a screen size of 34 inches and 21:9 aspect ratio, the ThinkVision T34w-20 offers excellent viewing experience through its curved, panoramic screen. You get more screen real estate and impeccable visuals that ensure you capture even the tiniest detail that is important to you. The WQHD 3440 x 1440 resolution and 1500R curved screen let users concentrate better on the task at hand. Seamless multi-screen experience is made possible, thanks to its 3-side NearEdgeless screen.

Smarter Connectivity, Improved Efficiency

Today's workforce demands a monitor that has an optimum screen size, high resolution, and a bright display. The ThinkVision T34w-20 delivers all this and more while ensuring that your work has your complete attention at all times. Its convenient and clutter-free USB Type-C one-cable solution allows you to transfer video and data, while simultaneously charging your devices. This extended USB-C Hub Monitor ensures seamless connectivity with your laptop, smartphone, or other smart devices through HDMI, DP, USB hub, and audio output port. The Smart Power technology on the T34w-20 effectively manages power delivery and reduces maximum power consumption, through USB Type-C.

Full-function USB Type-C

Power Delivery
Smart Power Function
up to 75W* Power Delivery
via USB Type-C

Ports
1 x USB Type-C Gen1 (DP1.2 Alt Mode)
1 x HDMI 2.0
1 x DP 1.2
1 x Audio Out (3.5 mm)
4 x USB 3.1 Gen1 (1 BC)

Ergonomically Designed to Keep Your Workplace Organized

Designed keeping user comfort in mind, and with space-saving solutions, the ThinkVision T34w-20 has a higher lift range and broader tilt angles than most monitors. This minimizes wobble and allows you to adjust its height to fit your needs. You can also deploy the ThinkVision T34w-20 on a wall using its VESA mount capability. Convenient and ergonomic, the monitor comes with an integrated phone holder and flexible cable management for an organized and clutter-free desk space. TÜV Rheinland Eye Comfort certification ensures minimal eye strain while delivering a comfortable viewing experience.
