

Lenovo
Education

Inspire and empower

the future of higher education

Smarter
technology
for all

Lenovo

At Lenovo, we believe education is the foundation of a better future.

Our higher education solutions are
designed to help create that future.

Lenovo

We empower and support IT leaders with solutions built for their unique needs and challenges by:

Equipping faculty and staff with flexible, easy-to-use technology, whether learning is happening on or off campus

Delivering innovative, forward-looking ed tech that builds skills and prepares students for the workplace ahead

Smarter learning ahead

Lenovo's higher education solutions keep IT productive, faculty and staff inspired, and students engaged. We offer a range of solutions to power coursework or lab work in any discipline.

From hybrid learning to research to esports, our solutions are simple and reliable, with built-in security — made for education and made to work together.

A working partnership

We partner with customers and value lasting relationships. We work closely with you to:

Assess needs. Understand the dynamics and trends shaping higher ed today and tomorrow and learn how they affect your specific environment

Evaluate options. Plan wisely to deploy and scale solutions that will deliver the best student, faculty, and staff experiences and improve learning outcomes

Customize solutions. Implement the right education technology for your institution's mission and student population

Lenovo

Use our strengths to your advantage

End-to-end solutions

Compatible hardware and integrated software mean easy deployment and management. End-to-end services mean a lighter load throughout the device lifecycle. All with one point of contact.

Industry depth

20 years in ed-tech gives us a deep understanding of use cases and the daily realities IT faces. It's a strong foundation to build your solutions on.

Vision for tomorrow

We're in this for the long term — solving your challenges today and working together to shape the future of higher ed.

Diverse ecosystem

We're the top education PC provider in the world. And you get even broader solutions and more choice through our strong ties with tech giants and a leading lineup of ISVs.

Lenovo brand

All Lenovo education solutions have the strength of our global brand behind them — the quality, reliability, and tech innovation we're known for along with leadership in supply chain security, worldwide services, and unrivaled support.

Lenovo

Drive imagination and innovation

Partner with us to build solutions tailored to your use cases and budget — solutions that inspire and empower learning for better outcomes.
