

5 Reasons Why You Need to Transform Your Workspace Today!

An Efficient and Modern Workplace is No Longer an Option.

1 More than **80%*** of millennials say workplace tech would have an influence when deciding to take a job

2 More than **60%*** of the workforce would rather receive high-tech perks at work versus low-tech perks like ping pong and free food

3 More than **50%*** of employees expect to be working in a smart office in the next five years

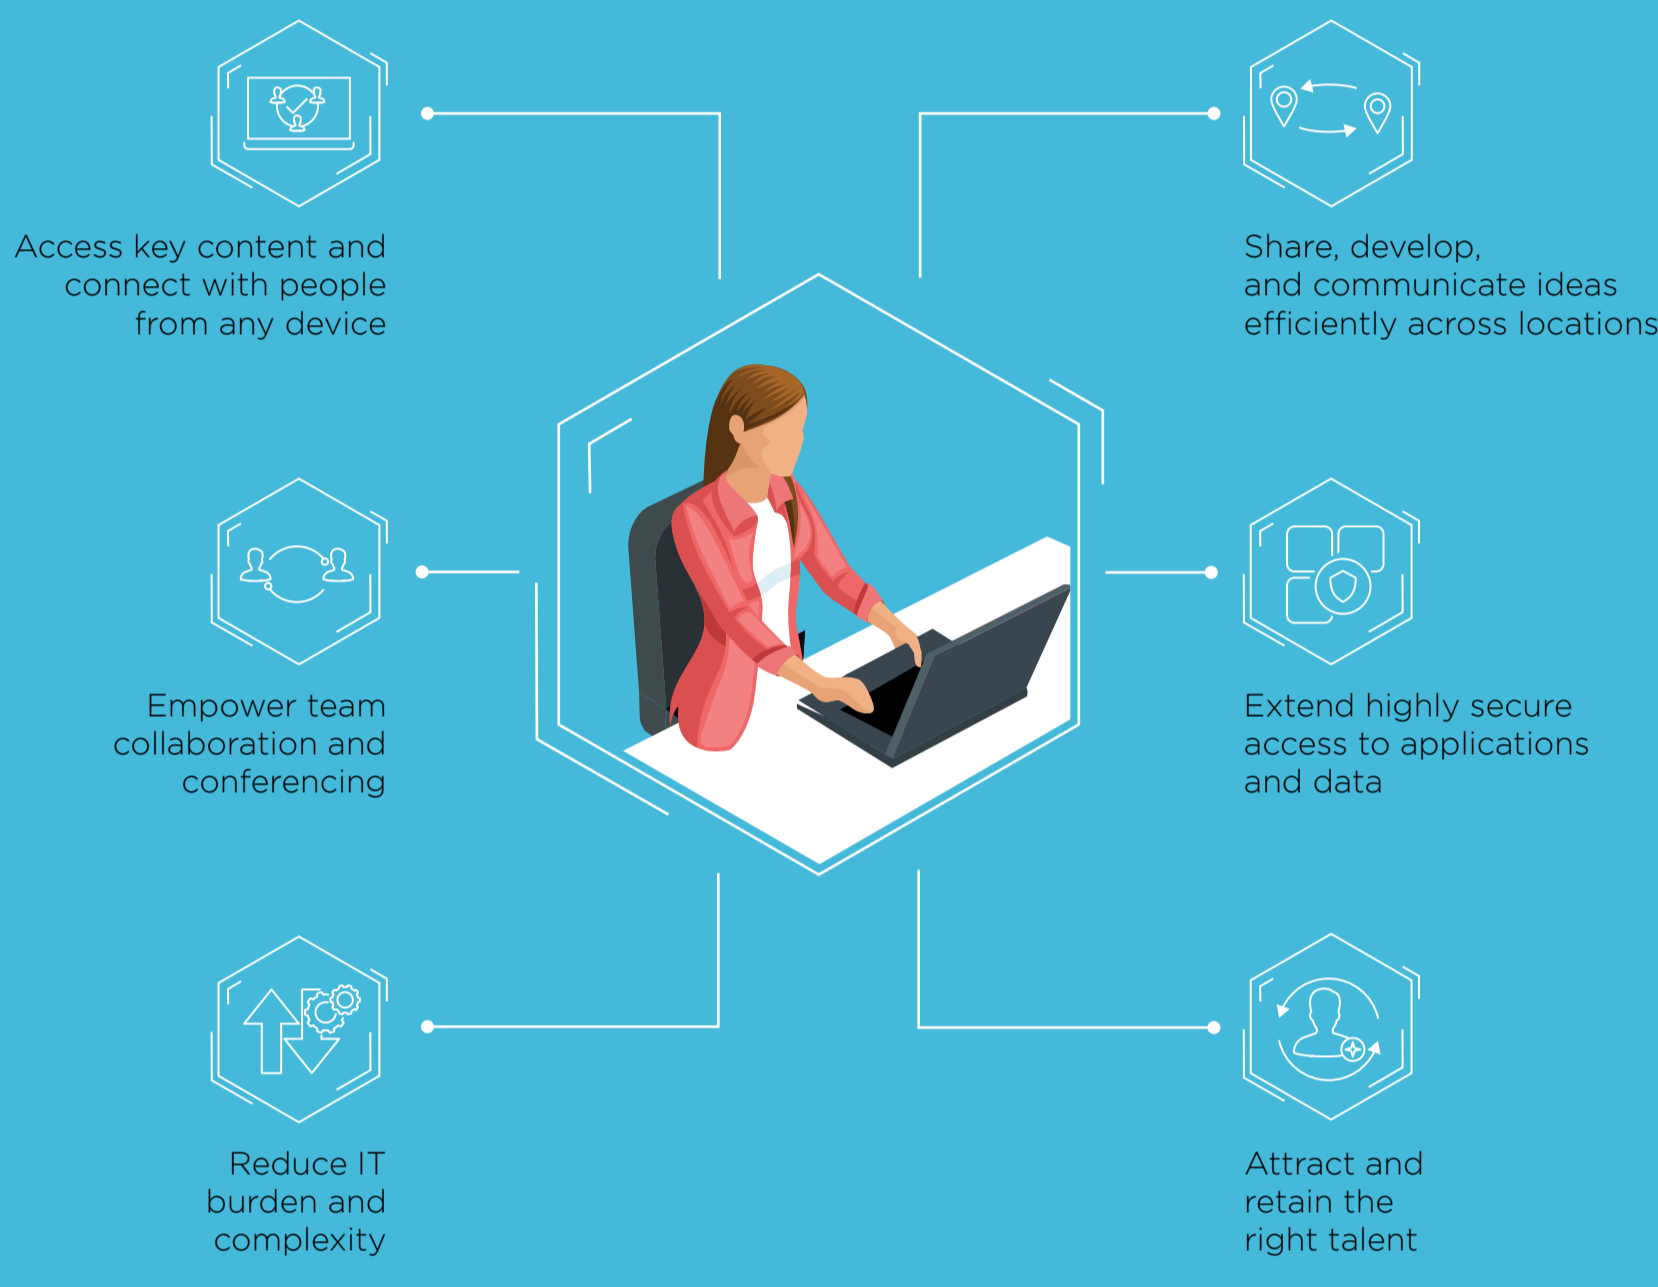

4 Not just young, but over **46%*** of workforce is looking to AR/VR technologies to perform better at the workplace

5 **3 in 5*** employees believe technology will make face-to-face conversation obsolete soon

Digitization has redefined the way organizations work. We can see organizations adopting digital workplace strategies. Digitized workplaces increase the efficiency and productivity and enhances the job experience for all employees, aiding in workforce retention.

The Benefits of a Modern Workplace

Modernize Your Workplace with Lenovo

Optimum Space Utilization with ThinkCentre Tiny, SFF, and TIO

No more losing desk space with huge desktops. Lenovo's ThinkCentre Tiny, ThinkCentre Small Form Factor (SFF), and ThinkCentre Tiny-in-one (TIO) provide impressive processing power while remaining energy-efficient and saving space.

ThinkCentre M910 with Tiny-in-One

Unmatched Flexibility, Performance, and Security in ThinkPad X1 Series

Reduce downtime with ThinkPad devices powered by 8th Generation Intel® Core™ vPro™ Processors. ThinkPad devices come with robust security and connectivity features, spill resistant keyboard, long battery life and intelligent cooling technology that ensure lower failure rate and better device performance.

ThinkPad X1 Yoga

More Value From Endpoint Devices with Think Accessories

Experience dual 4K display, fast charging, and peer to peer data transfer with ThinkPad Thunderbolt™ 3 Dock powered by Intel® Thunderbolt™ 3 technology.

Mount your Tiny in an efficient and secure way with the ThinkCentre Tiny VESA Mount II, use it alone or with other options to suit your work environment.

ThinkCentre Tiny VESA Mount II

ThinkPad Thunderbolt™ 3.0 Dock

Manage Meetings the Smart Way with ThinkSmart Hub

ThinkSmart Hub 500 is a compact and full featured meeting solution. All-in-one, purpose-built Skype Systems device powered by wireless 10 IoT. Enables local sharing capabilities. Integrated audio speakers and microphones – eliminating the need for separate speakers and phones in meeting rooms. Powered by the Intel® vPro™ Processor.

ThinkSmart Hub 500

Better Collaboration with ThinkCentre Tiny

Get your meeting underway instantly by connecting wirelessly to your big screen from your device using the ThinkCentre M910 with Intel® Unite®.
