

ThinkPad P15

UNLOCK ULTIMATE POWER CONFIGURED YOUR WAY

VERSATILE POWER

Power and mobility are optimized in the ThinkPad® P15, Lenovo's most popular mobile workstation. Packed with features, the P15 includes the latest Intel Xeon or 10th Gen Core processor options and support for the ultra-powerful NVIDIA Quadro RTX 5000 for a top-of-the-line experience. The redesigned interior boasts enhanced thermals for improved cooling. A Lenovo-developed innovative graphics daughtercard promotes complete configurability for customizing your system to your workflow. Wi-Fi 6 and WWAN ensure connectivity no matter where you are. Pair this powerful system with a 4K UHD OLED or LCD display with Dolby Vision HDR for an ideal solution for mobile power users, on the road or in the office.

1 Intel Xeon configurations

2 Intel Core configurations

3 Select versions available via preload; versions are configuration specific

4 Optional

5 Certification available on select models; EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

6 Available with Windows 10 Operating System only

* The actual transfer speed of the USB 3.2 Gen1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5Gbit/s.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your ThinkPad investment—so you can focus on your business, not your IT.

Premier Support

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Warranty Upgrades—Onsite and Next Business Day

Maximize PC uptime and productivity by providing convenient, fast repair service the next business day.

Warranty Extensions (1 to 5 years total duration)

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.
