

# ThinkPad T14 Gen 3 for Healthcare

Lenovo ThinkPad T14 Gen 3 has a broad range of features ideally suited for the healthcare professional. This ThinkPad T14 Gen 3 is redesigned with a 16:10 aspect ratio maximize vertical display real estate and a new bezel that increases the screen-to-body ratio to 84% for improved productivity. The ThinkPad T14 Gen 3 continues to deliver uncompromised performance coupled with unique features designed to help healthcare professionals deliver exceptional care during these challenging times.

Along with built-in ThinkShield and Intel® vPro® platform security, this ThinkPad features an RFID reader, enhanced biometric authentication, device cleaning mode, and a webcam privacy shutter with ePrivacy shutter for enhanced security. Optional features, like ePrivacy with PrivacyGuard display options, protect sensitive patient information against “sneak peeks.”

While helping maintain a secure environment is foremost, the ThinkPad T14 Gen 3 also provides exceptional performance. This device features Intel vPro® Enterprise with up to 12th Gen Intel® Core™ i7 processors, expanded storage, and a larger battery for true all-day productivity.

Virtual care is supported with improved wireless connectivity, including Intel® Wi-Fi 6E and LTE CAT16 with eSIM. The optional FHD camera, Dolby® Audio™ Speaker System, and new Dolby® Voice AI noise suppression deliver an immersive videoconferencing experience. More powerful graphics options—up to NVIDIA® GeForce® 4GB GDDR6—are combined with higher resolution Dolby® Vision™ display options for enhanced viewing of diagnostic imaging.

## FAST, SECURE BADGE READERS

ThinkPad T14 Gen 3 features an available RFID reader, compatible with all major single sign-on (SSO) providers, including Imprivata.<sup>®</sup> It supports both RFID and NFC technologies to align computer access with facility access, enabling secure network authentication with the tap of a badge.

## ADVANCED BIOMETRIC SECURITY

New to the ThinkPad T14 Gen 3 is a touch fingerprint reader integrated into the power button. It also offers strong multi-factor authentication for healthcare organizations and providers who require some of the most advanced security. An optional HD IR hybrid camera enables sign-on with Windows Hello™ and other authentication platforms using facial recognition technology.

## BUILT-IN PROTECTION

This secured-core PC features enhanced built-in ThinkShield security solutions combined with hardware-based security powered by Intel® vPro® security to help protect patient data and healthcare organizations against the latest evolving threats. The FHD IPS Touch display option comes with PrivacyGuard, which protects confidential information thanks to an integrated ePrivacy filter that deters shoulder surfing, sneak-peek and gaze detection, by blurring the screen when the user looks away.

## ENHANCED PRODUCTIVITY

ThinkPad T14 Gen 3 is redesigned with a 16:10 aspect ratio and 84% screen-to-body ratio to maximize vertical display real estate for improved productivity. Along with a comprehensive array of ports, ThinkPad T14 Gen 3 also assures users of blazing-fast Gigabit Internet speeds no where they happen to be thanks to Intel® Wi-Fi 6E and LTE CAT 4 and CAT 16 connectivity options.

## IMPROVED USER EXPERIENCE

With a starting weight of less than 3 pounds, this laptop is easy to carry on rounds or across sprawling medical campuses. New digital wellness features support the healthcare provider's health, as well. This includes Glance software, which aims to support wellness with posture alert and reminders to look away for 10 seconds to allow the user's eyes to refocus and alleviate fatigue. New Low Blue Light display options further support eye health.

<sup>1</sup>Product packaging shall contain, on average, a minimum total percentage of 90% by weight of any combination of the following materials: Recycled content, biobased plastic, non-wood biobased fiber material, and/or sustainably forested material.

## Sustainability

The ThinkPad T14 Gen 3 uses 90% recycled and/or sustainable packaging<sup>1</sup>, as well as PCC recycled material for the battery brackets, speaker enclosures, and AC adaptors. All Lenovo devices are manufactured using low-temperature solder for reduced emissions. And by 2025, Lenovo aims to obtain 90% of electricity for global operations from renewable sources and remove one million tons of greenhouse gas emissions from the supply chain.

## Easy Disinfection

The Lenovo Quick Clean application suspends user input, making it quick and easy to disinfect the touch display, TrackPad, and responsive keyboard.

## Built-In Security

The new Power-On Fingerprint Reader, RFID reader, optional HD IR hybrid camera, facial recognition capabilities, and BIOS-defined password protection give users quick, secure access while keeping intruders out.

# ThinkPad T14 Gen 3 for Healthcare

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

## Services

### PREMIER SUPPORT

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

### BULK PACKAGING SERVICE

Bulk Packaging is an environmental packaging solution designed for multiple product types. Each package contains multiples of one like-type product to minimize the amount of material used without jeopardizing the integrity of packaging necessary to protect product in shipping process.

### CO<sub>2</sub> OFFSET SERVICE

As an option with the hardware purchase, the Lenovo CO<sub>2</sub> Offset Service gives customers a simple and transparent way to give back to the environment by helping them offset the carbon emissions associated with their Lenovo PC. With it, Lenovo has calculated the carbon emissions of its PCs across their lifecycle, from manufacture and shipment, all the way through usage and disposal. Carbon offset credits are later purchased based on the calculated emissions of the specific device, and Lenovo's carbon offset partner contributes them to one of several United Nations Climate Action projects.

## Accessories

### Lenovo Thunderbolt 3 Essential Dock

Universal dock that boosts productivity by adding support for up to two 4K displays, an always-on charging port, gigabit Ethernet, and multiple additional ports.

PN: Varies by country

### Lenovo 100 Stereo USB Headset

This lightweight stereo headset features a rotatable boom mic and passive noise cancellation for clear audio on VoIP calls. Earcups are made from leather and memory-foam.

PN: 4XDOX88524

### Lenovo Essential Wireless Combo Keyboard and Mouse

Connect both keyboard and mouse using one nano USB wireless receiver. Slim, wireless keyboard has a responsive key feeling, and includes an adjustable tilt leg, numeric keypad, and spill resistant design. The full-size wireless mouse accommodates left- and right-handed users.

## performance

### PROCESSOR

Up to Intel vPro® Enterprise with 12<sup>th</sup> Generation Intel® Core™ i7 processors

### OPERATING SYSTEM

Up to Windows 11 Pro  
Windows 10 Pro preinstalled through downgrade rights in Windows 11 Pro

### GRAPHICS

Integrated Intel® UHD Graphics  
Optional Intel® Iris® Xe Graphics  
Optional NVIDIA® GeForce® MX 550 or RTX 2050

### CAMERA

HD RGB, FHD RGB, or FHD + IR camera with webcam privacy shutter

### MEMORY

Up to 48GB DDR4 (3200Mhz)  
1x soldered  
1x DIMM

### STORAGE

Up to 2TB Gen 4 performance PCIe

### BATTERY

Choice of 39.3 Whr (only available with integrated graphics options) or 52.5 Whr battery

### AC ADAPTER

65W AC adapter, supports RapidCharge for both battery options

### AUDIO

Dolby® Audio™ Speaker System with Dolby® Voice  
2x User-facing Microphones

## connectivity

### INPUT/OUTPUT PORTS

2x Thunderbolt™ 4  
2x USB-A 3.2 Gen 1  
1x HDMI 2.0b  
1x Audio (headphone and microphone combo jack)  
1x RJ45  
1x SIM

### WIRELESS

Intel® Wi-Fi 6E (requires Windows 11 Pro)  
4G/LTE (CAT16) with eSIM  
4G/LTE (CAT4)  
Bluetooth® 5.2

### NFC

Yes

### DOCKING

Thunderbolt™ dock  
USB-C dock

## security

Intel vPro® security  
RFID Reader  
HD IR hybrid camera with Windows Hello™  
dTPM 2.0 chip  
ePrivacy with PrivacyGuard  
eShutter privacy shutter  
Kensington™ lock slot  
Lenovo Quick Clean application
