

Lenovo 100e Chromebook Gen 4

Because learning happens everywhere, students need a device that's ready where and when they need it. Featuring an efficient and stress-free mobile computing experience powered by the MediaTek Kompanio 500 Series processors, the rugged Lenovo 100e Gen 4 is fast, secure, and built to empower students for uptime, any time. The user-friendly ChromeOS platform equips students with all the tools they need in the classroom and beyond, including easy access to the extensive library of apps in the Chrome Web Store and Google Play.

Weighing less than 3 pounds and boasting up to 16 hours* of battery life, this 11.6" clamshell enables schoolwork, collaboration, and exploration whatever the day brings. With anti-pick full-skirt keys, along with new DuraSpec standards that include a drop onto concrete and a 360-ml water spill, the Lenovo 100e Chromebook Gen 4 is built to withstand the bumps that inevitably come with learning on the go. Plus, Wi-Fi 6, Bluetooth 5.1 capability, and 4G LTE support ensure students stay connected anywhere learning happens.

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

Lenovo 100e Chromebook Gen 4

DEPENDABLE PERFORMANCE

Powered by the Kompanio 500 Series processors, up to 8GB of memory, and up to 64GB of storage, the Lenovo 100e Chromebook Gen 4 is ready to fuel your creativity. Brighter, louder sound with the new Waves Audio, along with the HD camera and integrated graphics, create an inspiring experience for learning in and out of the classroom. Plus, with built-in virus protection and automatic updates that happen in the background with ChromeOS, students and teachers access the latest software without pressing pause on learning.

CONNECTIONS THAT MATTER

The Lenovo 100e Chromebook Gen 4 is designed to keep students engaged whether they're in front of a teacher or in the backseat on the way to soccer. In addition to a battery that lasts 16 hours on one charge*, a variety of ports make it a snap to connect everything from classroom devices to external displays at home. And with Wi-Fi 6 and Bluetooth 5.1 capability, as well as 4G LTE support, always-on collaboration improves learning outcomes wherever class is in session.

SOLID DURABILITY

The new Lenovo DuraSpec testing means the Lenovo 100e Chromebook Gen 4 is built for hybrid education knocks. The new and easily serviceable top-load keyboard, which has anti-pry full-skirt keycaps, can take accidental spills up to 360 ml. Plus, with a drop test onto concrete at 76 cm, A-cover force of 60 kg, reinforced ports and hinges, plus rubber bumpers, this resilient device takes on learning from anywhere.

UNYIELDING SECURITY

The Lenovo 100e Chromebook Gen 4 supplies inside-out protection. With Lenovo's built-in security, every aspect of the user experience is protected. Plus, ChromeOS security provides sandboxing, safe browsing, and the Google-designed Titan C security chip, along with regular automatic security updates that happen in the background.

Experience the power of Chrome Education Upgrade.

As learning evolves, the Lenovo 100e Chromebook Gen 4 with Chrome Education Upgrade is empowering educators and equipping students for what's next. Chrome Education Upgrade allows schools to manage hundreds of Chromebooks in seconds. IT admins can deploy new devices, customize features, and configure security settings from one cloud-based admin console.

The intuitive platform allows educators to personalize the student experience by sharing material with the class in real time and rolling out standardized tests with Kiosk mode. When necessary, stolen devices can be remotely disabled or wiped in an instant. Plus, free 24/7 support from the experts at Google ensures a confident user experience for all.

The Lenovo 100e Chromebook Gen 4 enables outside-the-box learning—in the classroom, at home, or within a hybrid model—nurturing individual needs for better learning outcomes.

Lenovo 100e Chromebook Gen 4

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on learning, not IT.

ChromeOS ZERO-TOUCH ENROLLMENT

Get the right devices to employees while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, shipping devices ship directly to users.

ACCIDENTAL DAMAGE PROTECTION

Minimize student downtime and protect your device from damage not covered under warranty with unlimited repairs in the event of unintentional mishaps. Accidental Damage Protection is performed by Lenovo trained technicians, using Lenovo Qualified parts and comprehensive diagnostic tools.

CO₂ OFFSET SERVICES

A simple and transparent way to give back to the environment, customers can offset the carbon emissions associated with their Lenovo devices. Lenovo has calculated the carbon emissions of its PCs across their lifecycle, from manufacture and shipment, all the way through usage and disposal. Carbon offset credits are later purchased based on the calculated emissions of the specific device, and Lenovo's carbon offset partner contributes them to one of several United Nations Climate Action projects.

Accessories

Lenovo 13-inch Laptop Urban Sleeve Case

Store your laptop, mouse, and accessories securely inside the water-resistant polyester exterior and padded internal compartments. The protective design is armored with rubber bumpers on each corner to keep your laptop safe from accidental drops, and cushions under the zippers prevent scratches.

PN: GX40Z50940

Lenovo 100 Stereo USB Headset

Get crisp, powerful audio, passive noise-canceling, and hassle-free USB-A plug-and-play. The dynamic rotatable microphone plus leather and memory-foam ear cups provide all-day comfort for every user. Certified to Google's Works with Chromebook for ChromeOS compatibility.

PN: 4XD0X88524

Lenovo Essential USB Mouse

This ergonomic full-size mouse delivers all-day comfort and easy plug-and-play connection to PCs with a USB cable. A high-resolution, 1600 DPI optical sensor ensures you'll be smoothly gliding from window-to-window.
