When flexibility meets performance

If you're the flexible sort who works on the go, here's a device to match your needs. The Lenovo ThinkBook 14s Yoga Gen 3 is your go-to companion for working from anywhere – a trusty tag-along that fulfills your requirements effortlessly.

When you crave amplified productivity

Maximize remote working potential: armed with the powerful **13th Gen Intel® Core™ i7 U-Series processor**, paired with blazingly fast RAM and SSD storage, it meets all the criteria for powerful performance. Your productivity won't lag with the support of the ThinkBook 14s Yoga Gen 3.

Fast, any way you look at it: ThinkBook 14s Yoga Gen 3 supports fast-paced work with state-of-the-art **8GB DDR4** memory and up to **1TB dual SSD** storage for quicker file saving, program and app launches, and sped-up operations. Additionally, **Wi-Fi 6** supports incredibly fast network speeds and uninterrupted connectivity for faster uploads and downloads.

Multiple user modes: ThinkBook 14s Yoga Gen 3 can always bend and adapt to your needs. The fluid form factor with four user modes—**laptop, tablet, tent, and present**—lets you turn any space into your workspace.

Smarter by the numbers: ThinkBook 14s Yoga Gen 3 is an ingenious device with various features to help you along your day. It comes with **Modern Standby**, so you never miss a notification. **Smart Gesture** adds a new dimension to how you navigate across your device and work. Smart Voice, Super Resolution, Eye Care Mode, Smart Battery, and Smart Wireless help significantly improve your user experience for a seamless workday. Several smart security features from the BIOS level secure your system and data.

Unmatched display prowess: ThinkBook 14s Yoga Gen 3 features a **14-inch, 16:9** display with in-plane switching (IPS). It also features software-based **TÜV Low Blue Light certification** and **Corning® Gorilla® Touch Glass** for an enhanced user experience. Its **1080p camera** ensures your video is always clear. This device supports **300nits** of brightness and is adaptable to changing conditions. It features narrow bezels on all four sides, giving it an **86% screen-to-body ratio** for an improved visual experience.

Professionally stylish

Crisp edges, smooth finishes: style paired with substance, ThinkBook 14s Yoga Gen 3 features a stunning **anodized two-tone** design on the cover, with a **zinc alloy hinge** for smooth opens and closes. Stylistically, it features a diamond-cut power button and a clear, laser-etched logo on the top. It comes in premium **Mineral Grey** and **Abyss Blue** colors. ThinkBook 14s Yoga is sleek and portable, as it weighs a mere **1.5kg**.

Inputs galore: ThinkBook 14s Yoga Gen 3 adapts to the way you work in every way possible. You can use it in the office, sitting or standing, in the car in its lay-flat mode, in bed with its tablet mode, and much more. All this is made possible by the many different input options. You have the **standard mouse-and-keyboard setup** for the office, the **stylus and touchscreen** for tablet mode, and the trackpad for when the mouse isn't usable. And that's just the tip of the iceberg of the improved UX on the ThinkBook 14s Yoga Gen 3.

Incredibly user-friendly: ThinkBook 14s Yoga Gen 3 is made for your convenience. A host of user-friendly features make workdays run smoother without any hiccups. A large **105 x 70mm trackpad** makes navigating easier, along with the touchscreen function. Various ports add flexibility, and smart, AI-based features help you as you work in real-time.

Every inch a convenience

Your port of choice: ThinkBook 14s Yoga Gen 3 has many ports that are useful in many ways. It features multiple USB ports – **USB 3.2 Type-C** and **USB 3.2 Type-A** for fast data transfers and peripheral connectivity, with **Thunderbolt™ 4 port**, HDMI 2.0, and a microSD card reader.

Green and gold: ThinkBook 14s Yoga Gen 3 sets sustainability standards, blending responsible design with cutting-edge power-saving technologies. It features post-consumer recycled (PCC) materials in its build, featuring up to 25% in the battery pack and up to 90% in the adapter. It also ships in green packaging, containing up to 30% of Ocean-bound plastic (OBP). It also carries the **EPEAT™ Gold** and **Energy Star® 8.0** certifications and a CO₂ Offset Service certificate.

Ultra-secure: ThinkBook 14s Yoga Gen 3 offers the latest security features embedded everywhere, from its software to its firmware. Smart, AI-based **BIOS-level protection** helps prevent threats and respond in real-time. **ThinkShield security** protects critical data at every level, keeping your work as secure as it should be.

When flexibility meets performance

Recommended accessories

Lenovo Go USB-C Laptop Power Bank (20000 mAh)
PN: 4OALLG2WWW

Powerful, portable, and reliable, the Lenovo Go USB-C Laptop Power Bank greatly simplifies remote working. Carry with you a whopping 20,000 mAh capacity power bank that is enough to charge your laptop at least once and your mobile devices several times over. You can charge up to three devices simultaneously too.

ThinkPad Universal USB-C Dock
PN: 4OA70090IN

One connection, no limitations - a seamless docking experience guaranteed. The ThinkPad Universal USB-C Dock lets you experience two vivid 4K screens or triple 1080p displays, save time with transfer speeds of 10Gbps, and securely connect your Lenovo ThinkBook 14s Yoga Gen 3 IRU to almost any external peripheral.

ThinkBook Urban Backpack
PN: 4X40V26080

A multi-functional backpack with an anti-theft pocket ensures security on the move. The padded laptop compartment offers cushioned comfort, while the high-quality fabric and stylish PU leather accent add to the contemporary design.

ThinkBook Bluetooth Silent Mouse
PN: 4Y50X88824

Modern, low-profile, with an ambidextrous design and silent buttons, this mouse is a must-have premium accessory for your laptop. Sculpted to be comfortable while holding and equipped with a blue optical sensor with track-on-glass compatibility, this mouse works effortlessly even on a glossy surface. Dual-host Bluetooth connectivity (with Microsoft Swift Pair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400 give you more precision and control.

Services and Support: complete care for your Lenovo ThinkBook 14s Yoga Gen 3 IRU

Flexible warranty extensions and upgrades

Lenovo ThinkBook 14s Yoga Gen 3 IRU is covered with a 1-year base warranty and can be upgraded for a period of up to 5 years to extend the value of your investment.

One-call access to professional help

Premier Support service is an enhanced warranty plan that provides 24x7 direct access to the right level of tech support on the first call, on priority.

International Warranty Service (IWS)

IWS addition allows international availability of standard warranty terms. Applicable in all countries where the particular model is sold and serviced.

Covered for uncertainties

Accidental Damage Protection (ADP) provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

Keep Your Device (KYD) allows customers to keep their drives and dispose of business data on their terms, improving data security and ensuring compliance with data privacy and retention requirements.

Sealed Battery Warranty (SBTY) provides battery replacement for 2 years in the event of a battery failure.

Device maintenance and repair

Get flexible and 30% faster response with Lenovo Commercial Services.

- Onsite Next Business Day Response (NBD) and Technician Installed Customer Replaceable Unit (CRU)
- Expedited Depot Service
