

Google Meet Series One Room Kits by Lenovo

Collaboration that's exclusive, innovative, immersive. That's smarter.

Google Meet Series One room kits by Lenovo are purpose-built for the best Google Meet experience. With completely immersive designs for small, medium, and large rooms, hybrid collaboration is better than ever. Plus, you'll love the familiar, intuitive interface and full integration with Google Workspace apps.

These Google-exclusive room kits include everything you need for modern workplace collaboration—all in one box. Thoughtfully designed with industry-leading technology like noise-canceling TrueVoice® and an approachable aesthetic, Series One room kits are available in four different configurations. They are the only room kits to carry the Series One designation, thanks to unique features like onboard AI and enterprise-grade components.
