# Lenovo ThinkSmart Hub Gen 2

Bring teams together and ensure every voice is heard—across the room and around the world. The impressive ThinkSmart Hub is a compact conferencing upgrade from traditional speakerphones that delivers better controls, inclusive audio, and reliable hardware all built on the trusted Lenovo compute. And multitasking is faster and more secure than ever, with Windows 11, enhanced 16GB memory, and Intel vPro® with Intel® Core™ i5 processors.

Lenovo

### EASY TO USE

Maximize every meeting with a rotatable display that allows all participants to easily start, join, and share meeting controls. With its generous 10.1-inch touchscreen smudge-free display and 10-point touch, it is easy to navigate the screen. And, since Lenovo ThinkSmart Hub is fully certified for Microsoft Teams Rooms, you can provide your teams with an effective and consistent work environment.

### EVERY VOICE HEARD

Bring big ideas together with an inclusive center-of-table design that allows everyone in the room—and remote participants—to hear and be heard. Ideal for small and medium rooms, the Lenovo ThinkSmart Hub provides a remarkable audio experience with four built-in speakers and four built-in microphones, ensuring meeting equity around the table.

### EASY TO DEPLOY

Simple to set up right from the box, Lenovo ThinkSmart Hub is the ideal return-to-office solution. The sleek, clutter-free design with minimal footprint features a single cable connection to make deployment a snap. Delivering great value and high reliability, this lasting investment can upgrade small or medium meeting rooms into certified Microsoft Teams Rooms.

## The right support included.

The Lenovo ThinkSmart Hub Gen 2 comes with ThinkSmart-Start to maximize your meeting uptime.

- ThinkSmart Manager Premium for one year
- Smart Collaboration Professional Services Deploy and Maintain for one year
- Premier Support warranty services with 24/7/365 access to Lenovo expert technicians for three years

Welcome your team around the table.
