Get the most out of Avid® Media Composer® with the right workstation

Every day you're tasked with exceeding content consumers' expectations, while working within tight deadlines and constrained budgets.

To bring your creative vision to life, on time and on budget, you need the right workstation to maximize the full potential of your Avid creative toolset.

Lenovo Workstations are optimized for success

Power-packed, high-performing Lenovo desktop workstations are ISV- certified with Avid Media Composer. Whether learning to use creative tools or bringing a client's creative vision to life, artists rely on Lenovo's ThinkStation P Series Workstation solutions, powered by AMD Ryzen™ Threadripper PRO™, Intel® Core™ and Xeon® processors, and NVIDIA RTX™ professional graphics, to iterate more freely while hitting immovable deadlines.
