You can expand the lifespan of these innovative Lenovo ThinkPad products, featuring Intel® 13th Gen processors.

How does the OEM Extended Availability Program work?

Upon execution of Extended Availability Program agreement:

- Lenovo will warehouse your fully configured Lenovo ThinkPad products for up to 12 months.
- When you're ready, submit a notice of shipment for the quantity of Lenovo ThinkPad devices you need—and Lenovo will deliver upon receipt.
- You'll receive regular inventory reporting while products are being stored.
- Any product remaining in the warehouse beyond the 12-month purchase period will be shipped and invoiced according to set terms.

Increase your ROI:

- Simplify and stabilize your supply chain
- Reduce development and marketing expense
- Optimize your product portfolio to customer needs
