## Use our strengths to your advantage

### End-to-end solutions

Lenovo's portfolio of compatible hardware and integrated software means easy deployment and management.

Our education solutions include devices like the ThinkPad® X1 Carbon running Windows 11 and powered by Intel vPro,® An Intel® Evo™ Design, to provide what IT needs and students and teachers want.

Lenovo TruScale Device as a Service (TruScale DaaS) gives ed tech leaders one solution, one provider, one invoice, and one point of contact — simplifying efforts and maximizing benefit.

### Advocating for a better world

20 years in ed tech gives us a deep understanding of use cases and the daily realities IT faces. It's a strong foundation to build your solutions on.

## Vision for tomorrow

We're in this for the long term — solving your challenges today and working together to shape the future of education moving forward.

## Diverse ecosystem

We're the top education PC provider in the world. And you get even broader solutions and more choice through our strong ties with tech giants and a leading lineup of ISVs.

## Lenovo brand

All Lenovo education solutions have the strength of our global brand behind them — the quality, reliability, and tech innovation we're known for as a leader in digital security, remote management, worldwide services, and unrivaled support.

We foster a value system that supports environmental sustainability, social and community awareness, and ethical governance and compliance.

Lenovo solutions include devices running Windows 11 and powered by Intel vPro,® An Intel® Evo™ Design.

- Asset Recovery Services (ARS)
- Lenovo CO<sub>2</sub> Offset Services
- Bulk packaging

## COLLABORATION

The heart of seamless hybrid learning.

- All-in-one video collaboration devices
- Microsoft Teams platform
- Audio and video enhancement accessories
- Monitors

## SPECIALIZED SOLUTIONS

Enrich learning.

- Hybrid classroom solutions
- Lenovo VR Classroom
- Esports

## SOFTWARE

Protect, manage, and enhance learning.

- Endpoint and data security
- Microsoft 365 for Education
- Device management
- Classroom management
- Digital curriculum and instructional resources
- AI-driven web filtering and keystroke alerts

# Forward-thinking security

**Learning should take place in a secure environment for students and teachers.**

ThinkShield, our comprehensive portfolio of end-to-end security tools, protects hardware, software, services, and processes. We bring together a sophisticated suite of applications including Microsoft 365 for Education and Lenovo NetFilter.

These protections complement the security features on Windows 11 devices powered by Intel vPro,® An Intel® Evo™ Design.

# Services complete the solution

Lenovo TruScale™ gives you access to flexible solutions delivered with the simplicity of a scalable consumption model. Additional services include Accidental Damage Protection to protect your investment, Keep Your Drive to provide an extra layer of protection for your students' sensitive data and information, and sustainability services like the CO<sub>2</sub> offset service for a smaller environmental impact.

Lenovo solutions include devices running Windows 11 and powered by Intel vPro,® An Intel® Evo™ Design, for what IT needs and educators and students want.

Unlock the power of  
creativity and collaboration

**Plan ahead.** We'll work with you to assess your school's student and faculty population.

**Configure a solution.** Build a tech ecosystem that supports your campus's needs.

**Get devices up and running fast.** Quickly enroll devices at scale to your cloud environment using Windows Autopilot for Zero Touch deployment.

**Activate it.** Lenovo deployment services take the hard work out of software installation, cloud deployment, and data migration.

**Receive support.** Get help with maintenance, security, and compliance from one single point of contact.

**Optimized to save time.** Additions, upgrades, and renewals can be handled automatically.

# Wherever learning takes place, we're there

**Lenovo Education is here to help.** Partner with us to navigate the future of learning with flexible, customizable solutions and layered security.

In the classroom or at home, Lenovo's solutions — including Windows 11 devices powered by Intel vPro,® An Intel® Evo™ Design — are designed to engage all learners.
