Lenovo ThinkSmart Core Kit for Microsoft Teams Rooms

Lenovo makes it easy to incorporate smarter collaboration technology into meeting rooms of all sizes with the Lenovo ThinkSmart Core Full Room Kit for Microsoft Teams Rooms.

These purpose-built, modular room kit solutions start with Lenovo ThinkSmart Core, a compute that is powered by 11th Gen Intel® Core™ vPro™ processors with Intel® Iris® Xe graphics for optimized business productivity and collaboration. Lenovo ThinkSmart Core is certified and preloaded with Microsoft Teams Rooms to help employees connect, share, and collaborate seamlessly and securely from wherever they may be working. In addition to being bundled with one year of Smart Collaboration Professional Services Deploy and Maintain, ThinkSmart Core also comes with remote manageability through Lenovo's custom-built, preloaded ThinkSmart Manager software.¹

With multiple options, Lenovo ThinkSmart Core Kits are designed to fit within any infrastructure and budget considerations. For spaces with existing A/V technology, choose Lenovo ThinkSmart Core with Controller, which includes either the Lenovo ThinkSmart Controller or Lenovo IP Controller, giving you one-touch join to keep your meetings efficient and productive. For a complete solution in one box, choose Lenovo ThinkSmart Core Full Room Kit, which also includes Lenovo ThinkSmart Cam and Lenovo ThinkSmart Bar or an upgrade to ThinkSmart Bar 180 for a premium audio and video experience.

¹Lenovo ThinkSmart Manager comes pre-loaded on all ThinkSmart Core devices. Lenovo ThinkSmart Manager has two levels: Basic and Premium. Premium is included with your ThinkSmart Core purchase for one year. You can choose to continue service for an additional cost.

Lenovo ThinkSmart Core Full Room Kit

Lenovo ThinkSmart Core

EASY TO CHOOSE

When it comes to computing power, Lenovo ThinkSmart Core is the smarter choice. Powered by 11th Gen Intel® Core™ vPro™ processors and built on the Intel® vPro® platform with Intel® Iris® Xe graphics, this formidable computer provides hardware-enhanced security, modern manageability, and improved stability. Built on the trusted Windows 11 IoT Enterprise operating system, Lenovo ThinkSmart Core is a flexible, modular device with ports to support multiple audio and visual accessories. It also has a tidy integrated cable management design.

EASY TO MANAGE

IT teams can monitor, manage, and troubleshoot Lenovo ThinkSmart Core remotely using pre-loaded Lenovo ThinkSmart Manager software.¹ Lenovo ThinkSmart Core also comes bundled with one year of Smart Collaboration Professional Services Deploy and Maintain for personalized support during setup and ongoing maintenance.

EASY TO SUPPORT

Included with purchase for the first three years, Lenovo Premier Support manages routine support tasks, freeing up IT to focus on strategic efforts. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

Controllers

LENOVO THINKSMART CONTROLLER

The Lenovo ThinkSmart Controller is an intuitive 10.1-inch, 10-point touch display with the familiar Microsoft Teams Rooms interface that allows users to initiate and control the meeting, share content, and communicate easily. And no more smudges clouding the view, thanks to the anti-glare and anti-fingerprint display.

LENOVO IP CONTROLLER

The Lenovo IP Controller addresses the growing demand for HDMI on table with no lag, as well as PoE connectivity. The sleek 10.1-inch, 10-point touch display with the familiar Microsoft Teams Rooms interface allows for simple, effective collaboration. Plus, because it's wall mountable and can be installed up to 100 meters from the compute, the Lenovo IP Controller creates a clean aesthetic ideal for the modern workplace.

¹Lenovo ThinkSmart Manager comes pre-loaded on all Lenovo ThinkSmart Core devices. Lenovo ThinkSmart Manager has two levels: Basic and Premium. Premium is included with your Lenovo ThinkSmart Core purchase for one year. You can choose to continue service for an additional cost.

Lenovo ThinkSmart Core Full Room Kit

Includes Lenovo ThinkSmart Core, choice of controller, and choice of the following audiovisual components:

Lenovo ThinkSmart Bar 180

PREMIUM SIGHT & SOUND

- All-in-one experience, one-cable install
- Unique 180° field of view with 3-camera system for wall-to-wall room coverage
- High-fidelity sound, so every participant can hear and be heard

IMMERSIVE EXPERIENCE

- Brings whiteboard content to life, simultaneously displaying whiteboard content and in-room participants
- Identifies voices of up to 10 speakers for intelligent speech features
- Precision voice detection

NATURAL ENGAGEMENT

- Impressive AI features to focus on speakers and manage transitions
- Customizes virtual meeting space with defined room boundaries
- Keeps everyone optimally framed

Lenovo ThinkSmart Cam

CAPTURES REALITY

- Wide field of view
- High resolution and frame rates to eliminate distracting lag and distortion
- Vivid colors, bright images, and high contrast

EAGER TO LEARN

- Lenovo's first AI smart camera
- Encourages productivity and interactivity
- Follows the conversation with features¹ like active speaker tracking and whiteboard awareness

FITS RIGHT IN

- Compact, lightweight design
- Certified compatibility with Microsoft Teams Rooms
- Tabletop use or mountable to wall or TV

Lenovo ThinkSmart Bar

LISTEN UP

- Stereo speakers
- Four built-in mics with 180-degree wide-angle coverage
- Integrated DSP noise cancellation

BUILT FOR SCALE

- Speaker and integrated mic range of 8.5m
- Accommodates small rooms and huddle spaces
- Add one or two optional mic pods for larger boardrooms

SIMPLE SETUP

- Certified for Microsoft Teams Rooms
- Can be used on tabletop
- Mountable on wall or to TV

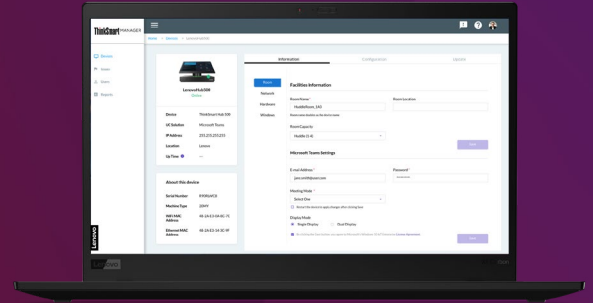

¹AI features are controlled via Lenovo ThinkSmart Manager, which is included for the first year with the purchase of Lenovo ThinkSmart Core. Whiteboard awareness is available at ship support.
²Lenovo ThinkSmart Manager comes pre-loaded on all Lenovo ThinkSmart Core devices. Lenovo ThinkSmart Manager has two levels: Basic and Premium. Premium is included with your Lenovo ThinkSmart Core purchase for one year. You can choose to continue service for an additional cost.

Lenovo ThinkSmart Manager¹

By leveraging the remote management capabilities of Intel® vPro® combined with Intel® Active Management Technology (AMT), this proprietary console provides your IT team with the ability to deploy, monitor, and troubleshoot Lenovo ThinkSmart devices from a single interface, regardless of the state or location of the devices.

- Leverage a single console to remotely deploy, manage, configure, update, and resolve issues
- See real-time status by device and receive live at-a-glance issues lists
- Perform bulk configuration and bulk restarts
- Generate reports to keep tabs on device issues and trends
- Take advantage of elevated security options
- Includes one year of Lenovo ThinkSmart Manager Premium

Smart Collaboration Professional Services

DEPLOY

Included for the first year, Lenovo ensures your Lenovo ThinkSmart devices function optimally through virtual deployment installation and integration support.

MAINTAIN

Included in the first year, we follow up with remote check-ins and assist with ongoing security updates to take the stress out of device maintenance.

ASSESS²

Lenovo is here to help identify any issues that could sidetrack your deployment by providing a detailed assessment of potential red flags and a follow-up report.

TRAIN²

Lenovo helps instruct all your audiences—IT and AV support teams, end users, and executives—on how to fully take advantage of your new technology.

DESIGN²

Lenovo evaluates and categorizes your meeting spaces by infrastructure and experience needs to design a “room standard” that includes hardware, software, and service recommendations.

ONSITE²

Lenovo provides white glove treatment through a dedicated, on-site specialist who can perform any of the above services, including complete physical set up, installation, configuration, and device troubleshooting.

¹ Lenovo ThinkSmart Manager comes pre-loaded on all Lenovo ThinkSmart Core devices. Lenovo ThinkSmart Manager has two levels: Basic and Premium. Premium is included with your Lenovo ThinkSmart Core purchase for one year. You can choose to continue service for an additional cost.
