Lenovo

Lenovo ThinkPad Essential Family Line

Make a real impact every day.

The ThinkPad Essential Case Line combines exceptional value with an eco-conscious design. Tailored for work, play, and everything in between, our backpacks are designed to stow 16" laptops and toploader cases can store 13"/14" or 16" devices. Enjoy practicality and style with organized interior storage, including padded compartments and multiple pockets to keep you organized. Crafted from recycled materials and built to last, they help you make a positive impact and make the most of your day.

Why you need Lenovo ThinkPad Essential Family Line

Space Meets Style

Choose from three versatile options: a backpack for 16" laptops and two toploader cases - one for 13"/14" and the other for 16" devices. With a sleek black exterior, grey interior lining, and stylish red accents, our cases blend elegance with practicality.

Comfort Meets Convenience

Move with ease thanks to ergonomic design elements. Enjoy padded adjustable shoulder straps and top handles, easy-grip zippers, and a rear luggage strap. Every feature is crafted for ultimate convenience and comfort.

Black Meets Green

Our essential line cases are crafted from recycled materials, equivalent to two full PET bottles* for the exterior. By using these sustainable resources, we help conserve natural materials and reduce the energy required to produce new plastic.

*Based on assumption that a typical 500ml plastic water bottle is comprised of approximately 19 grams of plastic.
