

Lenovo Chromebook Duet

Unlock the potential of everywhere productivity with the Lenovo Chromebook Duet EDU G2. Built tough and boasting a rugged case for added durability, this Chromebook is ideal for the frontline, in-field, and onsite sales workforce. With the detachable keyboard, convenient kickstand, and dual USB-C ports, this multimode easily moves from tablet to kickstand to laptop mode—so it's as flexible as you. Fueled by the AI-powered MediaTek Kompanio 838 designed specifically for Chromebooks, this affordable device unleashes unplugged brilliance to power your ambition.

The 11" 2K 16:10 panel and 400nits display enhance your mobile workday by providing clear bright visuals, even outdoors. AI features in the FHD camera heighten video clarity and meeting focus, enhancing the collaboration experience, while Wi-Fi 6 and Bluetooth® 5.3 ensure anywhere connectivity. The Lenovo Pen¹ allows for natural interaction with the screen, then securely tucks away when not in use. Plus, you'll move through each day with confidence, thanks to the remote manageability and robust security of ChromeOS.

Lenovo Chromebook Duet

BOLD COLLABORATION

The Lenovo Chromebook Duet EDU G2 sets a high bar for collaboration with its flexible form factor and brilliant 11" 2K IPS display. Whether you're brainstorming with coworkers, pitching your next big idea, or creating social content, the clear 5MP front and 8MP rear cameras, along with the intense sound of SmartAMP with Waves Audio, ensure a crystal-clear audiovisual experience. No matter your mode, use the USI Pen 2¹ to sketch and take notes with natural precision.

DEPENDABLE CONNECTIVITY

Equipped with features for nonstop productivity, the Lenovo Chromebook Duet EDU G2 comes with two full-function USB-C 3.2 ports with data, video, and charging capabilities. Coupled with outstanding battery life of up to 12 hours, the Wi-Fi 6 and Bluetooth® 5.3 enable smooth and stable connections for uninterrupted inspiration wherever the day takes you.

SECURE DURABILITY

This Lenovo Chromebook Duet EDU G2 is engineered to endure, with a full metal chassis, strong Corning glass, and a rugged, TPU-covered case design with built-in secure stylus storage. Boasting a spill-proof TPU-covered keyboard, drop protection, reinforced ports, and water resistance up to 360ml, this durable machine bolsters your agility. ChromeOS security provides sandboxing, safe browsing, and the Google-designed Titan C security chip, along with regular automatic security updates that happen in the background. The Lenovo Chromebook is also equipped with a physical camera shutter for privacy protection.

Experience the power of Chrome Enterprise Upgrade.

Chrome Enterprise Upgrade is a comprehensive solution for managing ChromeOS devices within an organization, offering advanced security and policy options, extensive device management capabilities, and support for a broad range of enterprise needs. Providing IT with sophisticated security controls and simplified orchestration of the device fleet, Chrome Enterprise Upgrade also enables flexible access to corporate data, allows integration with Active Directory and SAML SSO providers, and offers 24/7 IT support. With ChromeOS device management, businesses can easily and remotely manage the devices that empower employees and elevate customer experiences.

Lenovo Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

CHROMEOS ZERO-TOUCH ENROLLMENT

Get the right devices to employees while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, shipping devices directly to users.

PREMIER SUPPORT

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT to focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

LENOVO CO₂ OFFSET PROGRAM

While minimizing and eliminating emissions is always the goal, carbon offsetting your IT fleet is another way to help manage your overall carbon footprint. We make it easy with a seamless, transparent process for Lenovo devices across your current IT fleet or new purchases—with a sustainability dashboard to view the offset metrics. The offsets are contributed to climate action projects verified by independent third-party organizations like the United Nations, CDM, Gold Standard®, and Climate Action Reserve.

Lenovo Chromebook Duet

Committed to sustainability

At Lenovo, we're focused on providing smarter technology that builds a brighter, more sustainable future for our customers, colleagues, communities, and the planet. We're determined to build a smarter future for all through the products and services we offer.

As we continue innovating to provide technology solutions that are more energy efficient and human-centered like the Lenovo Chromebook Duet EDU G2, we stay focused on empowering you to meet your own sustainability goals—and solve humanity's greatest challenges.
