

## Lenovo Chromebook Plus *i* (15", 10)

Powered by Intel® Core™ processors to create an efficient hybrid work environment, the Lenovo Chromebook Plus *i* (15", 10) empowers on-the-go workers with the right tool to conquer every task. Built on the familiar and intuitive ChromeOS platform, this lightweight device is highly portable and boasts impressive MIL-STD-810H toughness for the inevitable workday bumps and drops. The customer replaceable unit (CRU) 50 Wh battery not only delivers up to 12 hours of unplugged productivity, it's easy to swap out when needed.

The vibrant 15.3" 16:10 IPS display, crisp 5MP camera, and Waves Audio help ensure virtual meetings are engaging and immersive. Other impressive UX features include a large touchpad, a full set of ports for ample expandability, and Wi-Fi 6E for speedy connectivity. Boost everyday productivity with Google AI features to access intelligent assistance, such as Help me write, Help me read, and Smart grouping—enhancing efficiency to put more focus on meeting deadlines and achieving success.

## EMBOLDENED PRODUCTIVITY

With the Intel® Core™ 3 Processor N355, 8GB of memory, and up to 256GB of storage, the Lenovo Chromebook Plus *i* (15", 10) running on ChromeOS is the ideal workhorse for every hard-working individual. Easy access to Google AI features assists in daily tasks like content creation, image editing, and research organization. The bright (400nits) 15.3" display, large touchpad, and 5MP camera with physical shutter elevate the user experience. Add the dual speakers with Waves Audio and AI-driven videocall enhancement, it's no wonder this Lenovo Chromebook Plus is a go-to on-the-go device.

## CONFIDENT CONNECTIVITY

Wherever work happens, you can download, upload, and stream with ease with fast Wi-Fi 6E and Bluetooth® 5.3 connectivity. The ample ports, including 2x USB-C, 2x USB-A, and 1x HDMI, provide superior versatility and convenience for charging, connecting peripherals, and adding external monitors to expand the workspace. Maximize unplugged productivity with up to 12+ hours of battery life with a CRU battery for an extended device lifecycle.

## MOBILE DURABILITY

Tough MIL-STD-810H testing means the Lenovo Chromebook Plus *i* (15", 10) is engineered to withstand whatever the mobile workday brings. Tested against drops, shocks, and temperature variations, along with boasting reinforced ports and hinges, this resilient device is as robust as your ambition.

## Experience the power of Chrome Enterprise Upgrade.

Chrome Enterprise Upgrade is a comprehensive solution for managing ChromeOS devices within an organization, offering advanced security and policy options, extensive device management capabilities, and support for a broad range of enterprise needs. Providing IT with sophisticated security controls and simplified orchestration of the device fleet, Chrome Enterprise Upgrade also enables flexible access to corporate data, allows integration with Active Directory and SAML SSO providers, and offers 24/7 IT support.

With ChromeOS device management, businesses can easily and remotely manage the devices that empower employees and elevate customer experiences.

## Lenovo Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

### LENOVO PREMIER SUPPORT

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT to focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

### ChromeOS ZERO-TOUCH ENROLLMENT

Get the right devices to onsite and distributed employees while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, shipping devices directly to users.

### ACCIDENTAL DAMAGE PROTECTION (ADP)

Minimize downtime and protect your device from damage not covered under warranty with unlimited repairs in the event of unintentional mishaps. Accidental Damage Protection is performed by Lenovo-trained technicians, using Lenovo Qualified parts and comprehensive diagnostic tools.
