

Lenovo Chromebook *m* (14", 11)

Elevate the education environment with the Lenovo Chromebook *m* (14", 11), powered by MediaTek Kompanio 540. Built on the same intuitive ChromeOS platform used by students, this device delivers high-productivity features that make the grade for teachers and administrators. Starting at just 1.36kg and boasting all-day battery life for ideal portability, this durable device withstands the drops, bumps, and spills of on-the-move educators.

You'll love the enhanced UX, including the bold 16:10 display with over 87% screen-to-body ratio, Waves MAXX Audio for crisp sound, and the 5MP camera with physical shutter. Plus, Google Workspace for Education with Gemini unlocks new ways of teaching, including helping you write, visualize, organize and connect, so you can focus on learning outcomes. Because Lenovo prioritizes sustainability, this device is packaged with recycled material, paper, and bamboo, while the customer replaceable unit (CRU) components elevate reparability to improve device lifecycle.

EVERYWHERE EDUCATION

Learning isn't limited to the classroom—neither are the administrative tasks that are essential to educators. The new lightweight Lenovo Chromebook *m* (14", 11) supports Wi-Fi 7 to enable a fast, reliable connection for downloads, uploads, and streaming, while long battery life allows for unplugged productivity. The available 5MP camera with privacy shutter and Waves MAXX Audio enable effortless virtual collaboration and meetings that are clear and engaging. Plus, ample ports, including two USB-C ports, make it a breeze to connect projectors and smart boards at school or external monitors and headphones at home.

CONFIDENT PRODUCTIVITY

Fueled by the MediaTek Kompanio 540 processor, and boasting up to 8GB of memory and up to 128GB of storage, the Lenovo Chromebook *m* (14", 11) powers through lesson plans, research, and virtual meetings. The improved 14" 16:10 display with 87% STB ratio enhances your view, while the new Waves MAXX Audio ensures crisp, clean sound. And Google AI is built in to make light work of daily tasks. The ample ports, including 2x USB-C, 2x USB-A, and 1x HDMI, offer flexible, convenient connectivity for charging, linking to classroom displays, and adding external monitors to expand your workspace.

DURABLE MOBILITY

The Lenovo Chromebook *m* (14", 11) is engineered to take on whatever the school day brings. This hardy device can withstand a drop onto concrete at 76 cm, A-cover force of 60 kg, and accidental spills up to 360 ml. Customer replaceable battery and USB-C ports make repairability a snap. Vigilant security is a priority, too, with the physical webcam privacy shutter and the protection of ChromeOS auto-updating and security tools.

Experience the power of ChromeOS Education Upgrade.

As learning evolves, the Lenovo Chromebook *m* (14", 11) with ChromeOS Education Upgrade empowers administrators to manage their ChromeOS environment to best meet the individual needs of their school, students, and teachers. ChromeOS Education Upgrade offers device management and 24/7 Google support and guidance at no additional cost.

Reduce costs, improve ROI, and lower student downtime with long-lasting devices that reboot in seconds. Get access to over 600 device policies, fleet oversight capabilities, and managed updates, all from the cloud-based Google Admin console. With ChromeOS automatic background updates, blocked executables, and data controls, you can protect your organization from security threats, maximize productivity, and work in the cloud with confidence.

Level up with Chromebook Plus.

For even more performance, upgrade to a Chromebook Plus model, delivering twice the power, speed, memory and storage. Built-in Google AI enhances learning efficiency, creativity and collaboration, while File Sync automatically syncs files to File Manager, so Google Docs, Sheets and Slides are always accessible—even when offline.

Lenovo Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

Lenovo Premier Support

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT to focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

Zero-Touch Enrollment

Get the right devices to educators and administrators while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, and shipping devices directly to users.

Accidental Damage Protection (ADP)

Minimize downtime and protect your device from damage not covered under warranty with unlimited repairs in the event of unintentional mishaps. Accidental Damage Protection is performed by Lenovo-trained technicians, using Lenovo Qualified parts and comprehensive diagnostic tools.
