

## Lenovo Chromebook *m* (15", 10)

Powered by MediaTek Kompanio 540 processors, the Lenovo Chromebook *m* (15", 10) is ideally suited to create an efficient and stress-free learning environment. Built on the same intuitive ChromeOS platform used by students, this device delivers high-productivity features that make the grade for teachers and administrators. This lightweight device is highly portable and boasts impressive durability for the inevitable workday bumps and drops. The customer replaceable unit (CRU) 50 Wh battery not only delivers up to 16 hours of unplugged productivity, it's easy to swap out when needed.

The vibrant 15.3" 16:10 IPS display, crisp 5MP camera, and Waves Audio help ensure virtual meetings are engaging and immersive. Other impressive UX features include a large touchpad, a full set of ports for ample expandability, and Wi-Fi 6E for speedy connectivity. Plus, Google Workspace for Education with Gemini unlocks new ways of teaching, including helping you write, visualize, organize and connect, so you can focus on learning outcomes.

## EMBOLDENED LEARNING

With the MediaTek Kompanio 540 processor, 8GB of memory, and up to 128GB of storage, the Lenovo Chromebook *m* (15", 10) running on ChromeOS is the ideal workhorse for hard-working educators. Easy access to Google AI features assists in daily tasks like lesson planning, grading assignments, and developing a curriculum. The bright (400nits) 15.3" display, large touchpad, and 5MP camera with physical shutter elevate the user experience. Add in the dual speakers with Waves Audio and AI-driven video call enhancement, and it's no wonder this Lenovo Chromebook gets high grades.

## CONFIDENT CONNECTIVITY

Wherever learning happens, teachers and administrators can download, upload, and stream with ease with fast Wi-Fi 6E and Bluetooth® 5.3 connectivity. The ample ports, including 2x USB-C, 2x USB-A, and 1x HDMI, provide superior versatility and convenience for charging, connecting projectors and smart boards, and adding external monitors to expand the workspace. Maximize unplugged productivity thanks to up to 16 hours of battery life with a CRU battery for an extended device lifecycle.

## MOBILE DURABILITY

The rugged MIL-STD-810H durability testing means the Lenovo Chromebook *m* (15", 10) is engineered to withstand whatever the school day brings. Tested against drops, shocks, and temperature variations, along with boasting reinforced ports and hinges, this resilient device takes on learning from anywhere.

## Experience the power of ChromeOS Education Upgrade.

As learning evolves, the Lenovo Chromebook *m* (15", 10) with ChromeOS Education Upgrade empowers administrators to manage their ChromeOS environment to best meet the individual needs of their school, students, and teachers. ChromeOS Education Upgrade offers device management and 24/7 Google support and guidance at no additional cost.

Reduce costs, improve ROI, and lower student downtime with long-lasting devices that reboot in seconds. Get access to over 600 device policies, fleet oversight capabilities, and managed updates, all from the cloud-based Google Admin console. With ChromeOS automatic background updates, blocked executables, and data controls, you can protect your organization from security threats, maximize productivity, and work in the cloud with confidence.

## Level up with Chromebook Plus.

For even more performance, upgrade to a Chromebook Plus model, delivering twice the power, speed, memory and storage. Built-in Google AI enhances learning efficiency, creativity and collaboration, while File Sync automatically syncs files to File Manager, so Google Docs, Sheets and Slides are always accessible—even when offline.

## Lenovo Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

### Lenovo Premier Support

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT to focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

### Zero-Touch Enrollment

Get the right devices to educators and administrators while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, and shipping devices directly to users.

### Accidental Damage Protection (ADP)

Minimize downtime and protect your device from damage not covered under warranty with unlimited repairs in the event of unintentional mishaps. Accidental Damage Protection is performed by Lenovo-trained technicians, using Lenovo Qualified parts and comprehensive diagnostic tools.
